Day passes available for Keys residents.

My name is Terry Sutton, founder of Ocean Dreams Cancer Healing Center, in Islamorada, Florida, where we are conducting a Healing and Wellness Retreat from December 5 through 9, 2022. The retreat gives patients with cancer or other diseases, along with their caregivers, the chance to experience hope, healing, education and relief from their day-to-day stress and the opportunity to learn how to improve the

quality of their lives together.

Terms and Conditions

Go to the website for Retreat details and pricing and select your lodging and any additional service options you'd like to enjoy.
